

Money raised will help support our projects in Sheffield Diocese

Away From it All -AFIA- provides much needed holidays or day trips for families who need to get away and have a break, but they do not have the means to go.

We support 5 Refuges in the Diocese

by providing toiletries, moving on baskets, food hampers and gifts.

We support the SY Reading Project by providing books for children in need.

We also work with the **Clewer Initiative to end Modern Slavery** working with SY Police to provide clothing & toiletries for victims of slavery.

These are just some of our projects, we can't do any of this without your help and support in raising funds by holding coffee mornings, cake bakes, sponsored events So, Thank you!
